Confidential Claim Retracted

Authorized by: SC

Date: 6/25/13

On June 10, 1971, the writer inspected the drilling operations of Continental Oil Company on Laguna Tribal land uranium permits known as Tracts 8, 9, and 10. The lands involved include 37,503 acres located in Townships 11, 12, 13 North, Ranges 1 and 2 West, NMPM, Sandoval and Bernalillo Counties, New Mexico.

Drilling on Phase II is continuing at a rapid pace. To date 38 holes have been drilled on Phase II making a total of 111 holes drilled on the property. The holes are being properly abandoned as fast as possible after completion.

The engineers of this office will make periodic checks of the permits as exploration activities progress.
